<p><i>I must say, this bowling alley holds a special place in my heart! Ever since I relocated to Delaware way back in 2006, I've been a regular visitor to this fine establishment. It's top-notch every time, spick and span without fail, and our visits are always a blast. The arcade here is superb, offering thrilling games like laser tag and even bumper cars that spin around – what a riot! And let's not forget the pool tables and the inviting bar. The grub is decent, serving up classics like pizza and fried delights. I'll definitely be returning very soon. Many thanks for providing such a fantastic experience as we celebrated my son's birthday.</i></p>

<p><i>Quality lanes! The lanes are usually in great shape, although occasional pin issues may arise, like pins falling out of place after setup. However, they are easily reset. Any problems that do occur are promptly addressed by the attentive employees, who are always friendly and helpful. The pro shop at</i></p>	

this bowling alley is top-notch. If you require ball drilling services, Ethan is a fantastic worker with a remarkably cheerful demeanor and immense helpfulness. Ethan assisted my entire family with selecting our new bowling balls and equipment. He's truly incredible! I wouldn't consider purchasing my bowling supplies anywhere else but from him.
