I've been going to this church for a couple of years now. When covid came, we switched to watching the online services. It's been a fantastic experience each time. Everyone is welcome just as they are. The atmosphere is relaxed and friendly, and the Pastor does a great job of connecting the scripture to everyday life with a touch of humor! It's a warm and inviting place for anyone looking for a new church or exploring a relationship with Jesus for the first time.

Journey has been a transformative experience for me. Stepping into the church feels like stepping into a warm and welcoming family. Pastor Mark is truly remarkable, and it's hard to find adequate words to express just how wonderful he is. His sermons feel incredibly personal, almost as if he's speaking directly to your own life experiences, drawing lessons from the Bible to teach and inspire us. If you're feeling called to dedicate yourself to God, I highly recommend visiting Journey - your life will undoubtedly be changed for the better.

Incredible and inviting church. The teachings are rooted in the Bible, focusing on Jesus as the second person of God who took on human form, lived a life without sin, was persecuted, crucified, died, buried, resurrected, and will return to judge the living and the dead. They embrace individuals just as they are and support them in drawing closer to Jesus and overcoming the grip of their sins. The small groups are fantastic for navigating the spiritual journey. There are abundant opportunities to volunteer and serve both the community and the church. The pastors are genuine and easy to approach, and the volunteers are full of compassion and assistance. A wonderful place to commence or strengthen one's relationship with Jesus.
