New Life Family Worship Center holds a special place in my heart. I've been attending for over five years now, and I couldn't imagine myself anywhere else. This church is like family to me. Pastor William Roberts and his wife, Pastor Sharon Roberts, deliver the true teachings of God with such a powerful anointing to carry out His work on Earth. It's truly touching to witness their love and compassion for every individual who enters our church – every soul is valued.

In addition to our adult services, our church also offers ministries for teens, youth, and children. While we gather in our church building, our devotion to the Lord extends beyond those walls. We actively engage with our communities through various outreach programs.

I feel incredibly thankful, grateful, and blessed to be a part of the New Life Family Worship Center. For anyone looking for a church to call home, I warmly invite you to join us for our services. We are eager to welcome you with open arms. I'll make sure there's a seat saved just for you.
